The Elangomats of Yah-Tah-Hey-Si-Kess, Lodge 66 are essential to the Conclaves. Without members volunteering to be Elangomats, the Conclaves would not exist.

On Friday night, the Ordeal Candidates arrive at Camp Rand with little information about the weekend. They form their first impressions while checking-in and being assigned to an Elangomat Group. These impressions can affect the rest of the weekend for the Candidates - either positively or negatively.

To improve this first impression, it has become necessary to register the Elangomats before Conclaves and require that they be there by 6:30 PM. The Lodge is depending on the Elangomats to ensure a pleasant and rewarding Ordeal experience for its incoming members.

I understand the importance of the Elangomats in Lodge 66 and promise to arrive at the Conclave by 6:30 pm on Friday night.*
